Toronto 1970

Index

- accreditation, (*see* licensing)
- Ad Hoc Committee on Family Practice,
 - on general physician, **30:193**
- advances in medical science,
 - and the health sector, **5:129-133**
 - economic effect of, **5:130-133**
 - effect on hospitals, **5:131-132**
 - effect on medical research, **5:130**
 - role of government in, **5:131**
- advances in medical science and technology, **1:2**
 - benefits derived from, **24:1-3**
- Alcoholism and Drug Addiction Research Foundation, **4:95, 28:153**
 - limitations of, **28:153**
- alcoholic and drug addiction treatment centres,
 - role of clinical psychologist, **13:303**
- alcoholism,
 - number of alcoholics, **28:153**
 - treatment of, **28:153**
- Algonquin College of Applied Arts and Technology,
 - program in medical laboratory technology, **26:107-108**
- allied health personnel,
 - (*see* paramedical personnel)
- Alport, W. E. H., Dr.
 - on general physician, **30:192**
- ambulatory services,
 - provided by hospitals, **7:13-16**
- American Association of Medical Colleges,
 - as accrediting hospital education, **27:129**
- American Federal Office of Economic Opportunity,
 - provision of neighbourhood health centres, **29:178-179**
- American Society of Clinical Hypnosis,
 - promotion of professional practice of hypnosis, **23:517**
- American-trained podiatrist in comparison with British-trained chiropodist (minority opinion), **530-531**
- annual grants of charitable institutions, pre World War I, **3:67**
- Association of Canadian Faculties of Dentistry, **9:127**
- Association of Canadian Medical Colleges (ACMC), **8:59, 66**
 - definition of teaching hospital, **27:125**
 - study of academic standards for admission in medical schools, **8:59-61**
- Association of Remedial Gymnasts, **16:380,381**
 - membership in, **16:382**
- asylum, (*see* mental hospital)
- Atomic Energy Control Regulations, and Department of National Health and Welfare, **4:93**
- attunements,
 - by ontologists, **23:497, 498**
- audiologist,
 - employment of, **16:393**
 - function of, **16:359**
 - manpower available, **16:394**
 - role of, **16:392-393**
 - (*see also* speech therapists and audiologists)
- "auditing",
 - therapeutic technique by scientologists, **23:494**
- auxiliary personnel,
 - (*see* paramedical personnel)
- Australia,
 - inquiry into scientology in, **23:508**
 - "open" practice of medicine, **23:500**
- biomedical engineering technicians, **6:197, 198**
- Blue Cross Plan for Hospital Care, **7:7**
- Boan, J. A.,
 - on group practice, **29:161**
- Board of Health,
 - establishment of local, **3:65-66**
 - establishment of provincial, **3:65-66**
- Board of Directors of Chiropractic,
 - registration of naturopaths, **22:481**
- Board of Directors of Drugless Therapy,
 - registration of naturopaths, **22:481**
- Regulation 121, **25:47**

Chapter numbers are in bold face; page numbers are in light face.

Vol. 1, Chapters 1-6; Vol. 2, Chapters 7-23 (minority opinions, pp. 520-536);
Vol. 3, Chapters 24-30 (minority opinions, pp. 210-230).

2 Index

- regulations governing drugless therapists, 25:47-48
- Board of Directors of Osteopathy of Ontario, proposed licensing of graduates from United States medical schools (minority opinion), 533
- Board of Radiological Technicians, 18:430
- Board of the Royal College of Dental Surgeons of Ontario, discipline by, 9:143-146
- Board of Trustees, Governors (of hospitals), 7:26-27
 - composition of, 7:26
 - control exercised by, 7:26
 - role of, 7:27
- boards of health,
 - legislation regarding, during turn of the century, 3:64
- Boards of Review,
 - on mental illness, 3:89
- Brainwave Synchronizer, use of, by hypnotherapist, 23:516
- Britain,
 - dental nurse in, 25:57
 - inquiry into scientology in, 23:509
 - "open" practice of medicine in, 23:500
 - recognition of spiritual healers in, 23:500
 - restrictions on scientologists, 23:509
- British-trained chiropodists,
 - disqualification in Ontario of, 25:51
 - in competition with American-trained podiatrist (minority opinion), 530-531
- Cabinet (or Ministry),
 - responsibilities of, 24:4-5
 - policy-making by, 24:5
 - administrative procedure of, 24:5
 - regulating and licensing by, 24:5-6
 - education coordination by, 24:6
- Cabinet Coordinating Committee, creation of (minority opinion), 225
- Canadian Association of Occupational Therapists, 16:373, 374, 375
 - membership in, 16:378
- Canadian Association of Optometrists, 12:253
- Canadian Association of Medical Record Librarians (CAMRL), 17:406, 407, 408, 409, 410
- Canadian Cancer Foundation, 10:161
- Canadian Chiropractic Association, 21:457, 458
- Canadian Commission on Hospital Accreditation, 17:405
- Canadian Council on Hospital Accreditation (CCHA), 7:7
 - and hospital privileges, 27:134
- Canadian Council for Supervised Pastoral Education, 13:313
- Canadian Dental Association, 9:112-113, 114
 - accreditation of schools by, 9:127
 - standards for dental departments at hospitals, 9:121
- Canadian Dental Association Council on Education, 9:127
- Canadian Hearing Society, 16:400
- Canadian Hospital Association, 17:408
- Canadian Institute of Psychoanalysis, 13:293, 294
 - role in professional ethics and discipline, 13:294
- Canadian Intern Placement Service, 7:21
- Canadian Medical Association (CMA), 8:98, 18:423
 - accreditation of educational programs of physiotherapy, 16:367
 - hospital education, 27:129
 - schools, 16:375-376
 - attitude to group practice, 29:167
 - medical manpower survey of working hours, 29:171
 - on characteristics of group practice, 29:162
 - on quality of care in group practice, 29:170-171
 - survey of physicians on hospital privileges, 27:136
- Canadian Medical Association Committee, 18:422
- Canadian Medical Association Committee on Group Practice, 29:175
- Canadian Memorial Chiropractic College, 6:185, 21:458
 - accreditation of, 21:464
 - courses at, 21:466
 - enrolment and graduates from, 6:185-186
 - staff at, 21:467
- Canadian Mental Health Association, as coordinator of existing mental health facilities, 28:156
 - study "More for the Mind", 28:139
- Canadian Mothercraft Society, 10:161
- Canadian National Institute for the Blind, 10:161
- Canadian Naturopathic Association, 22:482, 483
- Canadian Nurse, 10:196
- Canadian Nurses Association, 10:154
- Canadian Ophthalmological Society, 12:250
- Canadian Pharmaceutical Association, formation of, 3:62
- Canadian Pharmaceutical Manufacturers Association, 4:107
- Canadian Physiotherapy Association, 16:360
 - accreditation by, 16:367, 371
- Canadian Podiatry Association, 15:338
 - fee schedule, 15:351

- Canadian Psychiatric Association, **13:282**
 Canadian Psychoanalytic Society,
13:293, 294
 Canadian Red Cross, **4:107**
 Canadian Society for Clinical Chemists,
19:442
 membership in, **19:442**
 Canadian Society of Hospital Pharmacists,
11:243
 Canadian Society of Laboratory
 Technologists, **18:417, 422, 428**
 capital projects in healing arts, **4:103-105**
 certified specialists,
 number of, **8:49, 50**
 Chemical Engineering Research Consultants
 Limited (CERCL), **19:432**
 chemical pathology, (*see clinical chemists*)
 chemotherapy,
 and private physician in treatment of
 mental illness, **28:147**
 • (see also drugs)
 child care workers, **6:197, 198**
 role of, **13:310**
 standards in training of, **13:311**
 training programs and courses for,
 13:310-311
 Children's Aid Society, **10:160**
 supervision of child in need of protection,
 23:513
 Children's Boarding Homes Act, **28:152**
 Children's Mental Health Centres Act,
 establishment of facilities for emotionally
 disturbed children, **28:153**
 licensing and regulation of facilities,
 28:153
 Children's Psychiatric Research Institute,
 facilities at, **28:152**
 chiropodists, **3:78, 79**
 conditions treated by, **15:344**
 diagnosis by, **15:344-345**
 disciplinary measures governing, **15:355**
 education of, **15:338-341**
 in Britain,
 admission requirements, **15:340**
 programs available, **15:340**
 staff at, **15:340**
 in Ontario, **5:348-349**
 in United States,
 admission requirements, **15:339**
 programs available, **15:339**
 fee schedule for, **15:350-351, 357**
 handling of drugs and prescriptions by,
 15:345-346, 349
 in Pharmacy Act, **15:343**
 legislative controls regulating practice of,
 15:354-356
 manpower available, **15:337-338**
 performance of surgery by,
 15:346-347, 348
 proposed continuing service of American-
 trained podiatrist (minority opinion),
 530
 relationship with private laboratory
 facilities, **15:344, 350**
 relationship with physicians, **15:352-353**
 role of,
 in Ontario, limitations to practice,
 15:341-344
 recommendations regarding, **15:348-353**
 services covered by insurance, **15:353**
 services in hospitals, **15:351-352**
 use of x-ray equipment, **15:350**
 voluntary associations for, **15:356-357**
 chiropody,
 and ambiguities in Chiropody Act, **25:50**
 conditions of admittance (Ontario),
 conflicting views, **25:50-51**
 controversy over practice of, **15:334-335**
 definition of, **15:334**
 evolution of regulatory bodies of, **25:49**
 history of, **15:335-337**
 legislation of, **15:336-337**
 restriction of Board of Regents on
 American podiatry colleges, **25:50-51**
 Chiropody Act (1960),
 ambiguities in, **25:50**
 Board of Regents for Chiropody, **3:79**
 creation of, **3:79**
 definition of chiropodist, **25:49**
 exemption of sectarian healing groups
 from, **23:501**
 intentions regarding education of
 chiropodists, conflict, **25:50**
 organization of, **15:354**
 proposed amendment to (minority
 opinion), **531**
 scope-of-practice language difficulties in,
 25:34-35
 qualifications for registration, **15:354**
 chiropractic,
 controversy regarding,
 conflict with organized medicine,
 21:468-469
 proposed solutions, **21:469-476**
 chiropractors, **3:78, 79**
 definition and origin of, **21:457-458**
 denied x-ray facilities in hospitals, **21:476**
 development of "reformed" (minority
 opinion), **535-536**

Chapter numbers are in bold face; page numbers are in light face.

Vol. 1, Chapters 1-6; Vol. 2, Chapters 7-23 (minority opinions, pp. 520-536);
 Vol. 3, Chapters 24-30 (minority opinions, pp. 210-230).

4 Index

- diagnostic abilities of, **21:470-471**
- diagnosis by physician before treatment by (minority opinion), **534-535**
- disciplinary control of, **21:478**
- education of, **21:464-468**
 - admission requirements, **21:465**
 - courses offered for, **21:465-466**
 - lack of continuing education, **21:467**
 - proposed conjunction with other health disciplines, **21:472**
 - proposed staff participation of physicians in, **21:475**
- future relations with physicians, **21:473-474**
- legislative controls regulating, **21:477-479**
- manpower figures, **6:185**, **20:459-461**
- prohibition of use of title "Doctor" by, **21:478-479**
- proposed mandatory diagnosis, **21:464**, **473-474**
- scope and practice of, **21:461-464**
- trained in Concept-Therapy theories, **23:497**
- use of diagnostic and therapeutic devices, **21:476-477**
- voluntary associations for, **21:479-480**
- chiropractor:population ratio, **6:155**
- Christian Science,
 - doctrine claiming to replace medicine, **23:491**
 - nurses in training for, **23:503**
 - practitioners of,
 - manpower figures, **23:502-503**
- Christian Science Journal*, **23:492**, **494**
- listing of practitioners, **23:502**
- listing of nurses, **23:503**
- Christian Science Visiting Nurse Service, **23:503**
- Christian Scientists,
 - educational requirements and training of, **23:499**
 - healing practices employed by, **23:494**
 - hierarchical organization of, **23:492**
 - reward for services of, **23:497**
 - (see also Church of Christ, Scientist)
- chronic care hospitals, **7:1**
- Church of Christ, Scientist, The
 - inclusion in healing arts, **23:502-503**
 - membership in, **23:502-503**
 - recognition of,
 - in Canada, **23:504**
 - in United States, **23:504**
 - sanatoria operated by, **23:503**, **504**
- Church of Scientology,
 - as a "religion", **23:504**
 - evidence of engaging in the healing arts, **23:507**
 - hearing for, **23:505-506**
 - serving of subpoenas to, **23:505-507**
 - uncooperative attitude of, **23:505**
 - (see also Scientologists)
- Church of Unity,
 - educational requirements and training of, **23:498**
 - organization of, **23:493**
 - (see also Unity churches)
- Citizens' Commission on Graduate Medical Education,
 - on general physician, **30:193**
- citizenship,
 - as a condition to membership in a profession, **25:51-52**
- Clarke Institute of Psychiatry, **11:210**
 - establishment of, **28:154**
 - role and function of, **28:154**
- clinical biochemistry,
 - (see clinical chemist)
- clinical care,
 - evaluation of,
 - aided by institutes, **7:34-35**
- clinical chemists,
 - definition and role of, **19:441**
 - lack of legislative controls regulating practices of, **19:443**
 - organization of, **19:442-443**
 - training of, **19:441-442**
- clinical clerkship, **8:68**, **72**
- "clinical investigation unit," **7:24-25**
- clinical psychologists,
 - discipline of, **13:308**
 - education and training of, **13:300-302**
 - lack of minimum standards in, **13:301**
 - graduate programs in, **13:301**
 - employment of, **13:302**, **303**
 - group practice in mental health care, **13:304**, **28:151**
 - history of profession of, **13:296-297**
 - legislative controls regulating the practice of, **13:304-307**
 - private practice, **13:303-304**, **28:150**
 - exclusion from OHSIP and other plans, **13:304**
 - role of, **13:302-304**
 - substitution of, by psychometrists, **13:309**
 - voluntary associations for, **13:307-308**
- Clute, Kenneth F., **8:81**, **13:291**
 - on general physicians, working conditions and isolationism, **30:190**
 - on physicians' dissatisfaction with hospital privileges, **27:136**
 - on shortening the medical course (minority opinion), **229**
- Coggeshall, L. T.,
 - on general physician as part of medical team, **30:198-199**
- College of Applied Arts and Technology,
 - admission requirements to, **26:107**

- as training ground for paramedical personnel, **26:105**
- control of, **26:106**
- control of educational standards by, **26:109**
- cooperation with Health Disciplines Regulation Board, **26:109**
- cooperation with medical personnel, **26:108**
- cooperation with service institutions, **26:108**
- courses for child care workers, **13:310, 311**
- courses for physiotherapy technicians, **16:362**
- development of diploma nursing programs, **10:196-197, 198**
- divisions of, **26:106-107**
- establishment of, **4:102, 26:105-106**
- introduction of core curricula into programs at, **26:109-110**
- location of, **26:106**
- medical teaching staff skill at, **26:108**
- need for course for ophthalmic assistants, **12:275**
- Ontario Council of Regents for, membership of, **4:102-103**
functions of, **4:103**
- organization of, **26:106**
- practical and clinical experience lacking at, **26:108**
- precedent of medical laboratory technology, **26:107-108**
- programs offered at, **6:194-197, 26:107**
- proposed programs at,
 - chiropractors, **21:472**
 - health therapy technicians, **16:387-388**
 - massage therapists, **16:387**
 - medical health technologists, **18:421-422**
 - medical record librarians, **17:409-410**
 - occupational therapists' aides, **16:376**
 - ophthalmic dispensers, **15:268**
 - pharmaceutical assistants, **11:230**
 - radiological technicians, **18:423**
 - remedial gymnasts, **16:382**
 - social workers, **14:327, 328-329**
- revenues for, **26:106**
- Ryerson Polytechnical Institute, and, **26:106**
(*see also* Department of Education)
- College of Dental Surgeons, provision for specialty practice, **9:120**
- College of Family Physicians of Canada, **7:32, 8:97**
certification by, **30:203**
- "exclusion" of general practitioner, **30:204**
- fostering educational programs, **30:204**
- formal certification in family practice, **30:204**
- on department of general practice, **27:136-137**
- survey of general physicians' relations with hospital, **30:190-191**

- Council of,
 - functions of, **3:77**
 - membership of, **3:77-78**
 - creation of, **3:77**
 - Educational Advisory Committee, **3:78**
 - registration procedures of, **10:205-206**
- College of Optometrists of Ontario, **12:249**
- Board of Directors of, **3:81**
- control of education, **12:259**
- creation of, **3:81**
- graduates from, **6:183**
- licensing and regulatory body, **12:258-259**
- organization of, **12:259-260**
- professional fees, **12:261**
- College of Optometry, **12:245**
- College of Pharmacy,
 - Council of, **3:74**
 - disciplinary power of, **3:74-75**
 - Register of, **3:74**
- College of Physicians and Surgeons of Ontario, **1:7, 3:70, 78, 4:105, 118, 127, 8:48, 13:297**
- and chiroprodists, **15:343,345**
- and Hodgins Commission, **3:70**
- and professional ethics, **25:29-30**
- and family practice revisions, **30:203**
- attitude to group practice, **29:167**
- control of curriculum and examination in education, **25:268**
termination of control, **25:67**
- control of manpower supply, **24:12**
- controversy regarding chiropractic and organized medicine, **21:468-469**
- creation of, **3:58**
- disciplinary body of, **8:100-104**
- disciplinary functions of, after 1914, **3:72**
- Discipline Committee of, **3:72**
- Educational Register of, **3:71-72**
- financial difficulties in 1890's, **3:60**
- function of, **3:58**
- General Register of, **3:71**

Chapter numbers are in bold face; page numbers are in light face.

Vol. 1, Chapters 1-6; Vol. 2, Chapters 7-23 (minority opinions, pp. 520-536);
Vol. 3, Chapters 24-30 (minority opinions, pp. 210-230).

- governed by Council, 3:58
 - representation pre-1914, 3:59
- new composition of (1932), 3:71
- junior interne training, 8:72
- laboratories, regulation of, 19:438
- lack of formal definition of practice of medicine, 3:60-61
- licensing body, 8:82-91
- licensing policies,
 - criticism of, 8:89, 90-91
 - in regard to foreign-trained graduates, 8:85, 87-90
- on health centres in rural areas, 29:180
- prescription of curriculum of studies, 8:66
- proposals of,
 - amendment of Medical Act, 25:41
 - criticism of, 25:42
 - licensing of osteopaths, 20:452
 - licensing of American-trained osteopaths (minority opinion), 532-533
 - retention of control of education (minority opinion), 219
